

CarNuxt Leads the Way: Fully-Managed Platform Revolutionizes International Used-Car Trade

As the global used-car market keeps expanding and China's vehicle production and sales grow rapidly worldwide, CarNuxt has launched an exclusive "fully managed" used-car export platform that is redefining international used-car trade.

In recent years, cross-border trade in the global used-car market has seen unprecedented growth. According to The Brainy Insights, the worldwide used-car market reached US\$1.67 trillion in 2023 and is projected to maintain a compound annual growth rate (CAGR) of 6.2 % from 2024 to 2033, surging to an estimated US\$3.05 trillion by 2033.
